

## 2.0 Series Manufacturer Limited Parts Warranty

Customer upon delivery is required to inspect goods for any potential damage and report to carrier driver at time of delivery, and or, report to retailer or manufacturer up to five (5) days from delivery date. Reference our Warranty Procedure on our website under Customer Center for more info.

When this product is installed and used according to assembly instructions, Ulti-MATE Garage will replace defective parts only if part fails as result of manufacturer defective in materials or workmanship for 10-years from product purchase date if cabinet spec in production, if original owner, receipt of purchase from authorized dealer and original address product shipped to. Labor or time cost not included.

**ASSEMBLY NOTE:** Use two (2) or more adults when installing cabinets, they are very heavy. Install or Assemble at Your Own Risk. When in doubt, contact a licensed professional to install cabinets. For your safety, attach cabinet(s) to wood stud of wall for added strength and stability. Additional hardware to attach to the wall, such as wood stud screws not included and can be purchased at local hardware stores. Use caution on type of goods stored in cabinet for safety of children or otherwise and away from direct or indirect sunlight. Use caution on weight load of items stored and disperse weight evenly. If hanging cabinets, seek cabinet professional to install.

### **Ulti-MATE Garage WILL NOT PAY FOR & WARRANTY VOID or NOT VALID:**
